Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

Please support the League of California Cities, and actively oppose AB 1250. The number of unionized public employees with the corresponding healthcare/pension liabilities is a ticking time bomb that needs to be resolved.
The ability to use external contactors not only is prudent from a cost standpoint, but almost certainly will result in a higher level of service. Please oppose AB 1250.
